County Councillor Seán Woodward pledges:**If re-elected I will work to**

- BRING** to fruition community facilities at the former Coldeast Hospital and fight to have Fareham Borough Council take over most of the site as countryside as soon as possible to make it accessible to the public. I will call for a minor injury unit at Fareham Community Hospital and to provide allotments, sports pitches, cemetery, swimming pool and community centre.
- COMPLETE** cycleway and pedestrian safety improvements through Whiteley, Park Gate and Segensworth to Swanwick railway station this summer, including a TOUCAN crossing at the Botley Road/Hunts Pond Road roundabout at Park Gate.
- FURTHER** reduce levels of vandalism and anti-social behaviour in the area by working with Police, Community Support Officers and others.
- IMPROVE** enforcement of parking restrictions throughout the area to prevent obstruction and to fight the scourge of pavement and verge parking.
- PROVIDE** a new primary school for Whiteley this year by working with Hampshire County Council, so that Whiteley children are no longer forced to travel long distances for their primary education.
- ENSURE** mitigation measures are in place as soon as possible during the trial opening of the Botley Road/Yew Tree Drive bus gate following the consultation I have had carried out of Whiteley, Burr ridge, Park Gate and Swanwick residents. These could include speed limits and flashing speed signs, traffic calming, HGV bans, pedestrian crossings and junction safety improvements.
- COMPLETE** Whiteley Way and build a primary school at the earliest possible stage of the North Whiteley development.
- QUICKLY** remedy faulty street lights, poor footpaths and bridleways, uneven pavements and fly tipping etc.
- RESPOND** to your letters, emails and telephone calls within 48 hours and to continue to keep you informed by regular publication of **InTouch** newsletters all year round, not just at election time.

'I intend to keep fighting on these and many other issues'
